ModivCare: Region 3 Transportation Services

If you live in any of the counties listed below and have Medicaid, you may be eligible for non-emergency medical transportation through ModivCare. Transportation is available for doctor appointments, dialysis, x-rays, lab work, drug store or other medical appointments. Call 1-866-445-9954 to schedule your ride.

MODIVCAR-Scheduling Rides and Contact Information:

Need Help? Ask your nurse or care coordinator for assistance with scheduling.

- A minimum notice of 3 days prior to the scheduled appointment is required to ensure adequate time for arrangement.
- Members with reoccurring medical needs (e.g., dialysis or repeat appointments) can have their information verified and entered as a standing order. This eliminates the need for weekly scheduling calls and streamlines the transportation process.
- The Modivcare website (www.mymodivcare.com/members/sc) includes the region-specific numbers to call for scheduling, FAQs, and other forms.
- Modivcare has an app, which can be downloaded from Google Play or the Apple App Store. Members can book and manage trips through the app.
- MODVICAR-Notice Requirements:
- Members should have their Medicaid information handy when calling, as Modivcare verifies that appointments are for Medicaid.
- Trips can be scheduled up to 30 days in advance to better accommodate member transportation needs.
