Care Apprentice Program

Health Care Career Mentoring Program

Care Apprentices is our Health Care Career Mentoring Program designed to introduce the health care industry to bright, enthusiastic students from our surrounding counties. The professionals at **Carolina Pines Regional Medical Center** recognize the need for increased awareness of opportunities in the healthcare industry. Therefore, **Care Apprentices** was originated to establish the necessary foundation and support to assist students both practically and scholastically. We hope to provide exposure to a wide variety of potential career choices in the health care field. By participating in the **Care Apprentices** Program, students may find their career interests confirmed or directed towards an area in healthcare.
